Dear Steve Prosser:

RE: Review of the City of Lincoln's 6th Cycle (2021-2029) Draft Housing Element

Thank you for submitting the City of Lincoln's (City) draft housing element received for review on December 15, 2020, along with revisions received on January 28, 2021 and February 9, 2021. Pursuant to Government Code section 65585, subdivision (b), the California Department of Housing and Community Development (HCD) is reporting the results of its review. Our review was facilitated by a conversation on January 21, 2021 with you, Jim Bermudez, and Cynthia Walsh, consultant.

The draft element, incorporating the revisions submitted, meets the statutory requirements of State Housing Element Law. The housing element will comply with State Housing Element Law (Article 10.6 of the Gov. Code) when it is adopted, submitted to and approved by HCD, in accordance with Government Code section 65585, subdivision (g).

To remain on an eight-year planning cycle, the City must adopt its housing element within 120 calendar days from the statutory due date of May 15, 2021 for Sacramento Area Council of Governments (SACOG) localities. If adopted after this date, Government Code section 65588, subdivision (e)(4), requires the housing element be revised every four years until adopting at least two consecutive revisions by the statutory deadline. For more information on housing element adoption requirements, please visit our website at: http://www.hcd.ca.gov/community-development/housing-element/housing-element-memos/docs/sb375_final100413.pdf

Public participation in the development, adoption and implementation of the housing element is essential to effective housing planning. Throughout the housing element process, the City must continue to engage the community, including organizations that represent lower-income and special needs households, by making information regularly

available while considering and incorporating comments where appropriate. Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant; the Strategic Growth Council and HCD's Affordable Housing and Sustainable Communities programs; and HCD's Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the City meets housing element requirements for these and other funding sources.

HCD appreciates the hard work and dedication of you, Jim Bermudez, and Cynthia Walsh, consultant, provided in preparation of the City's housing element and looks forward to receiving the City's adopted housing element. If you have any questions or need additional technical assistance, please contact Hillary Prasad, of our staff, at Hillary.Prasad@hcd.ca.gov.

Sincerely,
